COVID-19 Safety Plan – Updated 24 Dec 2021

Welcome Back!

We are so pleased to welcome you! We have implemented measures to mitigate the risk of community Covid-19 spread doing our best to take care of you, our team members and the community at large.

BY ENTERING YOU AGREE TO THE FOLLOWING REQUIREMENTS AS ADVISED BY NSW HEALTH. THANK YOU IN ADVANCE FOR YOUR PATIENCE, KINDNESS AND UNDERSTANDING.

- **Cleaning and hygiene** - Our cleaning and hygiene controls to meet Covid-19 standards.
- **Team training** – team are trained on COVID-19, including when to get tested, physical distancing, wearing masks and cleaning. Train staff in the process of QR check in and out and they too must do so
- **Team Vaccination** – all our team members comply with the vaccination and booster protocols
- **Physical & Social Distancing** – we seat our customers according to the 2SQM rule indoors and we ask that you adhere to keeping 1.5 m away from all persons when you are queuing and from other diners and team members
- **Ventilation** – our louvred windows will be opened to promote greater airflow and ventilation. Our outdoor promenade dining is totally outdoors.
- **Separate Entry & Exits – Please avoid congestion.** We ask that you exit via the exit/back door by the bar and avoid the front entry door to avoid close contact with others. We kindly ask that you please wash your hands after handling cash or any other foreign object / surface;
- **Electronic QR Code** – to assist with Covid-19 tracing we are compelled to record all customers dining with us via QR code. We ask for your co-operation. Please consider downloading the COVID Safe App to assist with Covid-19 tracing. These will be placed upon entry of the restaurant and promenade outdoors areas.
- **Alcohol to be consumed while sitting & avoid mingling where possible** – When indoors it is important that alcohol is consumed whilst only sitting (not standing or mobile) and that all efforts are made to limit mingling. All guests including children must remain seated and / or stay with their table and not mingle with other tables.
- **Capacity** – Based on the indoor 2sqm rule the Pavilion has a capacity of 100 people in total at any one time in two separate areas. . Each separate area has staff that are providing food and beverage in only that area; staff do not allow people to mingle in different areas; each area is monitored by a separate Covid-19 Safety Marshal.
- **Covid Marshal** - A safety Marshal is present at all times and is identified by Covid Safety Badge. The Covid Safety Marshal is responsible for ensuring that the Covid Safety Plan is adhered to and that social distancing, cleaning, and accuracy of record keeping is maintained. The Covid Safety Marshal is responsible for ensuring that the Covid Safety Plan is adhered to and that social distancing, cleaning, and accuracy of record keeping is maintained. Each section has a separate Covid Marshal.
- **Face Masks**; NSW Health has mandated people wear a mask indoors and when unable to physically distance, to keep everyone safe. In other situations please wear a face mask if it is hard to maintain 1.5 metres of physical distance from others or if you have COVID-19 symptoms.
- **Selfcare and right to refuse** - if you are feeling unwell please kindly do not attend the premises and see your doctor immediately and avoid dining with us until you are recovered. For safety reasons you may be asked to leave should you show signs of illness or do not respect the Covid Safe Measures. Please note that it is a requirement to self isolate or quarantine at home if you are caring for someone with Covid-19 or from overseas or another state with Covid-19 restrictions.

- **NSW number to call (13 10 50) for any positive cases of Covid-19.**
